DOMAINE PERROT-MINOT (MOREY SAINT DENIS)		BH	Price	Quantity Required	Total
REDS					
Chambertin Grand Cru (On-Allocation)		93-96	SOLD	OUT	
Burghound	This is aromatically quite similar to the Clos de Bèze except that there are few spice elements but more floral character. The powerful, muscular and almost painfully intense broad-bodied flavors possess a copious amount of dry extract that coats the palate while partially buffering the markedly firm tannins on the super saline and mineral-driven finish that is perhaps even long. This is presently a solid block of material that will require at least a decade to be approachable and two of them before this will fully peak but even so, if you've got the patience this should be a really special wine in time.				
Chambertin 'Clos de Beze' Grand Cru (On-Allocation)		93-96	SOLD	OUT	
Burghound	Once again the nose is quite cool and restrained with its wonderfully broad-ranging panoply of aromas that include red cherry, black raspberry, violet, lavender, anise and a hint of wood spice. There is outstanding volume to the refined, intense and sleekly muscular flavors that possess superb mid-palate density. Moreover there is an excellent level of dry extract that does a fine job of buffering the firm but not rigid tannic spine shaping the explosively long finish. This is most impressive though once again note well that this is going to require extended cellaring.				
Chapelle-Chambertin Grand Cru (On-Allocation)		92-95	SOLD	OUT	
Burghound	Here too the restrained but exceptionally pretty nose is cool, pure and airy with its array of red and dark currant, earth, spice and lovely floral nuances. The middle weight and caressing flavors possess a notably finer mouthfeel that is at once firm but elegant thanks once again to the relatively fine grain of the supporting tannins shaping the markedly firm and youthfully austere finish. This is very clearly built-to-age yet I suspect that it will unwind sufficiently quickly to be approachable after 5-ish years or so of cellaring.				
Griotte Chambertin Grand Cru – 1.5L (On-Allocation)			SOLD	OUT	
Charmes Chambertin Grand Cru (On-Allocation)		91-94	\$458		
Burghound	Mild reduction pushes the fruit to the background but I doubt that it will last. Otherwise there is excellent size, weight and intensity to the tautly muscular, precise and powerful big-bodied flavors that also flash an interesting hint of citrus character on the very tightly wound finish. Like several of the wines in the range this is going to require at least some bottle age to unwind and flesh out as this is quite linear and youthfully austere today.				
Mazoyeres-Chambertin Grand Cru (On-Allocation)		93-95	\$458		
Burghound	A more deeply pitched and brooding nose offers up notes earth, underbrush, plum, cassis and plenty of sauvage influence. There is terrific punch to the very rich, intense and muscular big-bodied flavors that possess a velvety and caressing mid-palate mouthfeel that contrasts considerably with the robust, powerful and moderately austere finish that delivers spectacular length. I really like the sense of definition and harmony here but note well that unlike the Chapelle, this is going to require the better part of a decade to become sufficiently civilized to be enjoyable.				
Nuits St. Georges 1er Cru "La Richemone" Cuvée Ultra (On-Allocation)		92-94	\$345		
Burghound	A densely fruited, ripe and exuberantly fresh nose offers up notes of cassis, plum, dark raspberry and a variety of spice nuances. The impressively concentrated broad-shouldered flavors possess a plush yet reasonably defined mouthfeel before culminating in a driving, focused and very powerful finish that seems to go on and on. This is a big wine where the abundant dry extract presently largely hides the firm core of supporting tannins but make no mistake, this will need plenty of time to reach its apogee. At the same time, the sheer density of the sap will allow this to be enjoyed young if that's your preference.				

Nuits St. Georges 1er Cru Les Murgers des Cras Vieilles Vignes (On-Allocation)	90-93	\$119		
Burghound	Firm reduction renders the nose tough to evaluate. On the plus side there is a lovely inner mouth perfumed to the tautly muscular and very punchy flavors that are at once robust yet reasonably refined thanks to the relatively fine-grain of the supporting tannins shaping the bitter cherry-inflected finish. This is quite firm but not rustic or even especially austere though with that said, this will need at least some bottle age to unwind and flesh out.			
Vosne-Romanée 1er Cru "Les Beaux Monts" (On Allocation)	91-94	\$212		
Burghound	Reduction masks everything except a hint of spice. Otherwise there is a beguiling vivacity to the rich, elegant and impressively refined middle weight flavors that display impeccable balance on the mineral-driven and utterly delicious finish. This is a stunner of a Beaux Monts that possesses a classy mouthfeel on the chiseled backend though once again at least some patience is advised as the mid-palate is quite tightly wound.			
Morey Saint Denis 1er Cru 'La Riotte'	91-94	\$176		
Burghound	A pretty, cool and airy nose is comprised by aromas of maraschino cherry laced with both earth and a plethora of floral elements. The sleek, intense and wonderfully mineral-driven middle weight flavors possess an almost pungent salinity on the bitter cherry-inflected finish that flashes superb length. Like the Gevrey villages, if this can develop more depth with time in bottle this could be a knock-out.			
Vosne-Romanée "Les Champs Perdrix"	89-91	\$138		
Burghound	Here the expressive nose is spicier still if perhaps not quite as elegant with its layered array of violet, rose petal, black cherry and exotic Asian-style tea. There is outstanding richness to the medium-bodied flavors that flash ample minerality on the lingering finish that displays an interesting hint of citrus. While this can't quite match the Chambolle for overall quality, this too is a very fine villages level wine and worth checking out.			
Chambolle Musigny		\$119		
Morey Saint Denis 'En La Rue de Vergy'	89-91	\$106		
Burghound	A pure and moderately high-toned nose proposes notes of red cherry, spice and a range of floral elements. There is a really lovely sense of verve suffusing the fresh, pure and well-delineated middle weight flavors where an almost pungent minerality arises on the linear and persistent finish. Lovely stuff.			
Gevrey-Chambertin	89-92	\$106		
Burghound	A completely different aromatic profile presents itself with distinct notes of underbrush, warm earth, dark currant, plum and a whiff of the sauvage. The plush yet sleek medium weight plus flavors possess both excellent volume and ample mid-palate concentration while flashing unusually good length for a villages level Gevrey. If this can develop a bit more depth it should merit the upper end of my projected range. Succinctly put, this is potentially terrific for what it is.			
Bourgogne		\$39		

FRANCOIS BERTHEAU (CHAMBOLLE-MUSIGNY)		BH	Price	Quantity Required	Total
REDS					
Chambolle-Musigny		88-91	\$74		
Burghound	A pretty, fresh and ripe mix of both red and blue pinot fruit is cut with discreet spice and floral nuances and in particular violet. The rich, concentrated and delicious middle weight flavors possess a caressing mouthfeel, all wrapped in a lingering and naturally sweet finish. This is more concentrated than usual and should drink well on the younger side if that's your preference.				
Chambolle Musigny 1er Cru		90-92	\$95		
Burghound	A very gentle touch of wood sets off the more elegant, spicier and more complex nose of spice, violets and cool red currant aromas. There is good richness to the supple, round, delicious and equally complex medium-bodied flavors that possess a lovely sense of balance as well as good underlying tension on the youthfully austere finale. Worth considering.				
Chambolle Musigny 1er Cru "les Charmes"		90-93	\$136		
Burghound	This is also quite spicy but it's also more perfumed with cool and airy aromas of plum, violet and lavender. Supple, round and utterly delicious and seductive medium weight flavors possess a polished mouthfeel thanks to the moderately firm but fine-grained tannins that possess first-rate depth on the highly persistent finish. This is textbook Charmes that should drink well young but with 6 to 8 years of bottle age too.				
Chambolle Musigny 1er Cru "les Amoureuses" (On Allocation)		91-94	SOLD	OUT	
Burghound	A more restrained and beautifully layered nose offers up cool aromas of both red and dark currant, rose petal, clove and a hint of anise. As refined and polished as the Charmes is, the mouthfeel here of the middle weight flavors takes refinement to another level with ample minerality adding a touch of lift to the balanced and superbly persistent finish. This is very classy juice yet make no mistake it will be capable of aging effortlessly.				
Bonnes Mares (On Allocation)		92-94	SOLD	OUT	
Burghound	A moderately high-toned nose consists of notes of red cherry, raspberry, spice, rose petal and warm earth nuances. The richer, bigger and markedly more powerful flavors possess fine mid-palate concentration that despite the extra size and weight is also relatively polished too and particularly so on the sneaky long finish that flashes an interesting hint of dried orange peel.				

DOMAINE ARNOUX-LACHAUX (VOSNE ROMANEE)		BH	Price	Quantity Required	Total
REDS					
Nuits-Saint-Georges		88-91			
Burghound	A pretty and perfumed nose speaks of red berries and earth and the latter can be found in abundance on the relatively refined medium-bodied flavors that terminate in a mildly austere finale. This is really quite good and also worth considering for a wine that should drink well both young and with a few years of bottle age.				
Vosne Romanée		89-91			
Burghound	A spicy mix of both red and dark currant combines with notes of violet, tea and clove. This is also exceptionally intense with excellent detail and punch to the medium-bodied, sappy and caressing flavors that deliver first-rate persistence for a villages level Vosne. This too is worth a look provided you have at least some patience.				
Chambolle-Musigny		89-91			
Burghound	In contrast to the expressiveness of the Nuits, this is aromatically restrained and somber and only grudgingly reveals its aromas of various dark berries, spice and violet scents. The sleek and impressively intense flavors possess a lacy mid-palate mouthfeel that contrasts moderately with the saline-inflected and mineral-driven finish that is presently on the youthfully austere side. This beauty of a Chambolle villages will need at least a few years of cellaring and should reward up to a decade's worth.				
Vosne-Romanée "Les hautes Maizières"		89-92			
Burghound	This is at once slightly spicier and a bit riper as well than the straight Vosne with its pretty and layered array of various red berries and floral scents. As is usually the case the bold flavors are bigger, richer, more concentrated and more powerful if perhaps not quite as refined on the strikingly long if mildly austere finale. This is an excellent villages and again, provided that you have at least some patience, well worth checking out.				
Nuits-Saint-Georges 1er Cru "Les Procès"		90-92			
Burghound	Reduction flattens the underlying fruit today. Otherwise there is a really lovely mouthfeel to the relatively sleek and appealingly intense middle weight flavors that exude a subtle minerality while exhibiting solid length and very fine depth on the ever-so-mildly rustic finale.				
Nuits-Saint-Georges 1er Cru "Clos Des Corvées Pagets"		89-92			
Burghound	Reduction overshadows the underlying fruit at present. On the plus side there is both excellent intensity and energy to the overtly mineral-inflected flavors that reflect a sleek muscularity on the rustic and more tightly wound finale. This is a classically styled Nuits that will require at least a few years of cellar time first.				
Vosne-Romanée 1er Cru "Les Chaumes"		90-92			
Burghound	A ripe and airy nose mixes aromas of various spice and floral elements with those of red pinot and plum. The round, fleshy and generously proportioned flavors also possess very fine depth and length on the punchy and relatively refined finale thanks mainly to the fine-grained supporting tannins. Note that in contrast to several of the foregoing wines, this should be reasonably approachable young if that's your preference.				
Vosne-Romanée 1er Cru "Aux Reignots" (On Allocation)		92-94			
Burghound	An airy, cool and restrained nose is impressively broad with its gorgeous aromas of red currant, violet, rose petal and ample spice nuances. The lacy, sophisticated and energetic middle weight flavors also display plenty of minerality on the detailed, intense and driving finish. The				

	impression of class and refinement is notably enhanced by the very fine grain of the tannins and this should age well for a long time yet it is not so firmly structured that it could not be enjoyed relatively young. A real beauty and very Reignots in character.				
Vosne-Romanée 1er "Les Suchots" (On Allocation)		91-93			
Burghound	A penetratingly floral and Asian tea and spice-suffused nose is composed by notes of black cherry that are trimmed in just enough wood to warrant mentioning. The highly refined and obviously concentrated medium-bodied flavors possess plenty of mid-palate fat that enrobes the moderately firm supporting tannins on the well-balanced and satisfyingly long finish. This isn't quite as complex as the Reignots but it's more seductive.				
Clos-de-Vougeot (On Allocation)					
Clos-de-Vougeot (On Allocation) - 1.5L					
Echezeaux (On Allocation)		91-94			
Echezeaux (On Allocation) - 1.5L		91-94			
Burghound	An elegant, ripe and relatively airy nose fuses notes of spice and dried flowers with those of essence of red currant and cherry. I very much like the mouthfeel of the strikingly complex middle weight plus flavors that flash evident minerality on the beautifully persistent and well-balanced finale. This Ech should be excellent in time.				
Latricieres Chambertin (On Allocation)		91-94			
Latricieres Chambertin (On Allocation) - 1.5L		91-94			
Burghound	Reduction. The racy, intense and patently mineral-driven flavors are stony to the point that they are akin to rolling small pebbles around in your mouth, all wrapped in a balanced, youthfully austere and overtly saline finish. This is a classic Latricières of grace, lace and taut muscularity.				
Romanée-Saint-Vivant (On Allocation)		93-96			
Burghound	This is also quite reserved yet aggressive swirling helps to liberate the very spicy nose that also reflects notes of cassis and raspberry liqueur. The rich, supple and seductively textured flavors possess excellent volume and once again plenty of drive on the mouth coating, balanced and solidly structured finish. This terrific effort is an RSV that balances power and punch with refinement.				

DOMAINE DU CLOS FRANTIN (VOSNE ROMANÉE)		BH	Price	Quantity Required	Total
REDS					
Gevrey-Chambertin "Les Murots"		87-89	\$59		
Burghound	Moderate reduction renders the nose difficult to read. Otherwise there is good punch to the sleek, delicious and saline-inflected middle weight flavors where the refinement of the mid-palate contrasts considerably with the muscular and rustic finish that exhibits a touch of cherry pit character.				
Vosne Romanée		88-91	\$72		
Burghound	A pretty, fresh and layered nose reflects notes of red currant, lavender, violet and subtle spice notes. There is a really lovely and highly seductive texture to the satiny flavors that culminate in a firm and mildly robust but not really rustic finish. This is worth checking out.				
Vosne Romanee 1er Cru Malconsorts (On Allocation)			\$166		
Clos-de-Vougeot (On Allocation)		91-94	\$212		
Burghound	Reduction. By contrast there is first-rate freshness and verve to the precise, intense and muscular yet caressing big-bodied flavors that are supported by a driving, powerful and very serious finish that is, not surprisingly, youthfully austere. This notably precise effort isn't a refined version of the appellation but it doesn't lack for underlying material. Like the Malconsorts, this is not fashioned to be approached in its youth.				
Echézeaux (On Allocation)		91-93	\$212		
Burghound	An exuberantly spicy nose offers up notes of red and black raspberry, anise, tea and plenty of floral elements, all of which is trimmed in just enough wood to notice. The medium-bodied flavors are round and very rich if less imposing or precise, all wrapped in a solidly persistent finish where a touch of salinity arises. In contrast to the Malconsorts and the Clos de Vougeot, this could reasonably be enjoyed young.				
Grand Echézeaux (On Allocation)		92-95	SOLD	OUT	
Burghound	Like several wines in the range here the nose is intensely floral in character that adds a sense of elegance to the discreetly spicy black berry fruit and hoisin-suffused aromas. There is a subtle salinity to the beautifully well-detailed and energetic big-bodied flavors that possess superb depth of material and outstanding complexity before terminating in a persistent, mouth coating and very firmly structured finish. This is old school in style and a wine that is going to need plenty of bottle age before the supporting tannins are resolved.				
Richebourg (On Allocation)		92-95	SOLD	OUT	
Burghound	Aromas of red currant, rose petal, lavender, violet and Asian-style tea precede the succulent and refined flavors that are notably stony while exhibiting excellent persistence on the bright and balanced but very firm and serious finale. This is finer and classier than the Grands Ech but not necessarily more complex, at least not today.				

DOMAINE D'EUGÉNIE (VOSNE ROMANÉE)		BH	Price	Quantity Required	Total
REDS					
Vosne-Romanée		88-91	\$76		
Burghound	A ripe and exuberantly spicy nose offers up notes plum and violet along with a hint of Asian-style tea. The rich and velvet-textured middle weight flavors possess solid mid-palate concentration, all wrapped in a seductive and lingering finish. This should both drink well young but also reward short to mid-term cellaring.				
Vosne-Romanée Clos d'Eugénie		89-92	\$102		
Burghound	A cool, pure and even spicier nose speaks of black cherry, violet, lavender and orange peel. The juicy, round and highly seductive medium-bodied flavors brim with sappy dry extract that also buffers the slightly firm tannins on the sneaky long finish. This excellent effort is very Vosne in character and should also drink well young as well as repay up to a decade of cellaring.				
Vosne-Romanée 1er Cru Brulees (On-Allocation)		91-93	\$204		
Burghound	The whole cluster vinification is more evident here with its intense floral and spice nuances that add breadth to the pretty dark pinot fruit scents that are trimmed in discreet wood hints. The more mineral-inflected and detailed medium weight flavors possess a really lovely mouthfeel before terminating in a beautifully persistent finale. This is also very Vosne in style but it will need at least a few years of cellaring first.				
Echézeaux (On-Allocation)		91-94	\$378		
Burghound	While this is also spicy and perfumed the aromatic profile of red currant, lavender and soft earth is more restrained at present than that of the Brûlées. There is outstanding intensity and depth of material to the tautly muscular and impressively concentrated flavors that possess plenty of underlying tension and controlled power on the stunningly long and mouth coating finish. This is a big Echézeaux, indeed the word robust comes to mind and it's a wine that should age effortlessly for years though it could probably be approached after only 5 or so.				
Grands-Echézeaux (On Allocation)		92-95	\$458		
Burghound	There is an interesting hint of mandarin orange to the notably ripe but equally restrained aromas of black cherry, rose petal, cassis and a wide range of spice elements. Like the Ech this is a big, muscular and concentrated effort with excellent size, weight and punch to the broad-shouldered flavors that culminate in a palate coating, serious and strikingly long finish. This is even more firmly structured and at least moderate patience will be necessary.				
Clos de Vougeot (On Allocation)		93-95	\$378		
Burghound	Interestingly the beautifully layered nose is even more floral though less spicy with its gorgeously fresh dark berries and newly turned earth scents. The sleek, intense and muscular flavors possess equally impressive size, weight and power though the hugely long and youthfully austere finish is arguably even longer. Textbook.

Bourgogne			SOLD	OUT	
Echézeaux		91-94	SOLD	OUT	
Burghound	A beautifully layered blend is comprised by notes of a wide range of floral and spice elements that add elegance and breadth to the panoply of red berry fruit aromas. There is terrific intensity to the powerful, indeed even robust, big-bodied flavors that flex a taut muscularity on the serious, firm and youthfully austere finale. This is a big Echézeaux and one that is going to require extended bottle age, in fact 15 years may not be entirely sufficient so I would suggest not buying this in the hopes of good early drinking.				
Clos-de-Vougeot (On Allocation)		91-94	\$138		
Burghound	A nicely broad and unusually perfumed mélange displays notes of earth, spice, red currant and blackberry. The rich, delicious and supple middle weight plus flavors possess excellent delineation on the vibrant, intense and driving youthfully austere finish that immediately tightens up to confirm that this will also need extended keeping before it fully reveals its full potential. Even so, this is undeniably prettier than it usually is and while the word 'elegance' and Clos de Vougeot are rarely used in the same sentence, this is the exception that proves the rule.				
Grands Echezeaux (On Allocation)		92-94	SOLD	OUT	
Burghound	Like the Les Cras, this is firmly reduced today and unreadable. And like the Clos de Vougeot the mid-palate of the slightly larger-scaled flavors is quite supple though this contrasts markedly with the powerful and borderline painfully intense finish that is at once mouth coating and hugely persistent. This appears deceptively approachable but the very firm tannic spine makes it clear that this is going to be a long-distance runner.				
La Grande Rue (On Allocation)		91-94	\$598		
Burghound	A subtle touch of wood serves as a suitably discreet backdrop for the exceptionally floral-infused nose that offers up additional notes of spice, red currant and pekoe tea. The rounder and slightly less intense flavors are still blessed with excellent punch and power while exhibiting more salinity on the built-to-age finish. This is more refined than the Grands Ech but not quite as complex, at least not today.

Coteaux Bourguignons "Les Croix Blanches"		93-95	SOLD	OUT	
Burghound	Other than the subtle pepper character on the pretty red berry fruit aromas one really wouldn't suspect that there is a large proportion of gamay in this wine. I like the sense of energy to the utterly delicious flavors that possess good detail and a refreshing finish where only a trace of rusticity appears.				
Bougogne Rouge		86-89	SOLD	OUT	
Burghound	A fresh, bright and distinctly cool nose features notes of red raspberry and earth aromas that lead to detailed, intense and relatively supple middle weight flavors that possess good energy on the dusty, persistent and precise finish that also displays a hint of rusticity. This is really quite good for its level.				
Vosne Romanée		88-91	SOLD	OUT	
Burghound	A lightly spiced nose of ripe red currant, plum and violet is trimmed in just enough wood to mention. The caressing middle weight flavors are blessed with an abundance of dry extract that imparts a sleek and seductive mouthfeel as well as buffers the moderately firm tannic spine. I like the balance and this should drink well after only a few years of bottle age.				
Chambolle Musigny "Clos de L'Orme"		88-91	SOLD	OUT	
Burghound	A ripe yet attractively fresh nose offers up both red and black raspberry along with hints of lavender and sandalwood. The mouthfeel of the medium-bodied flavors is polished and lightly mineral-inflected that concludes in a dusty and mildly austere finish. This is more evidently structured than the straight Vosne and is going to require at least some patience.				
Nuits St George 1er Cru "Aux Thorey"		90-92	SOLD	OUT	
Burghound	A subtly spiced array speaks of ultra-fresh aromas of dark currant, violet, plum and soft earth wisps. The mid-palate of the middle weight flavors is deceptively pliant because as the lingering and lightly stony and rustic finish sits on the palate the supporting tannins become more evident. I very much like the depth and persistence though note that this will require a few years of aging.				
Nuits St George 1er Cru "Aux Murgers"		91-93	SOLD	OUT	
Burghound	There is enough reduction to render the nose difficult to evaluate though it does seem ripe. Otherwise the restrained medium weight flavors possess excellent structural ripeness as well as fine size, weight and power on the intense, harmonious and mouth coating finish. This concentrated effort is a classic Murgers of muscle and power but no rusticity.				
Vosne Romanee 1er Cru "Les Malconsorts" (On Allocation)		93-95	SOLD	OUT	
Burghound	There is just enough reduction to mask the underlying fruit but not the floral and spice nuances. Otherwise the dense, powerful and robust full-bodied flavors possess both super energy and minerality before delivering huge length on the balanced, austere and very tightly wound finale. This stunner is a classically styled Malconsorts that is made in a 'buy and forget you own it' style.

Burghound	Reduction. The rich, full-bodied, naturally sweet and lightly mineral-suffused flavors possess good freshness and a seductive texture before culminating in an impressively complex, driving and palate staining finish. This is more refined than it usually is yet a wine that doesn't lack for power and punch.				
Clos de Vougeot		91-94			
Burghound	A pungent nose of reduction and wood makes an evaluation of it difficult today. There is both good density and punch to the vibrant big-bodied flavors that offer fine power but not at the expense of a certain level of refinement on the youthfully austere finale. A classically styled example.

Chablis 1er Cru Vaillons		89-91	\$32		
Burghound	A ripe and attractively fresh nose consists mostly of various white orchard fruit aromas that are cut with notes of citrus rind, tidal pool and soft floral whiffs. The mouth feel of the middle weight flavors is also quite succulent though there is more evident minerality suffusing the slightly drier and more persistent finale. This refined effort will need at least a few years of aging first.				
Chablis 1er Cru Montée de Tonnerre		90-92	\$42		
Burghound	Reduction and SO2 dominate the nose today. Otherwise there is a beguiling and caressing mouth feel to the sleek, intense and nicely refined medium weight flavors that exude a fine minerality on the notably dry finale that exhibits a touch of youthful austerity. Like the Vaurorent, my sense is that this should drink well young but also repay mid-term cellaring.				
Chablis Grand Cru Valmur		90-93	\$62		
Burghound	Discreet wood influence sets off a ripe and attractively fresh nose of green fruit, floral, sea breeze and spice white peach aromas. The bigger, richer and more muscular flavors aren't quite as refined though they do offer more power on the sappy and palate coating finale that is also shaped and supported by citrus-inflected acidity.				
Chablis Grand Cru le Clos		90-92	\$72		
Burghound	Here there is no reductive funk with its pretty, ripe and airy aromas of mineral reduction, white flowers, pear, apple and iodine. There is excellent size, weight and mid-palate density to the very rich and overtly mineral-driven flavors that really fan out on the sappy finish that also delivers fine length if not the same depth as the best here. That said more depth will almost certainly develop with a few years of bottle age.
