Burgundy (Red)

A. et P. de Villaine (Official Importer)

Certified organic since 1986 with no pesticides and herbicides. Grapes are hand harvested and hand sorted before a gentle press and is fermented in temperature-controlled tanks. Natural vinification is an extension of the philosophy of organic cultivation, this allow the natural expression of the nuances and aromas particular to each terroir and grape variety. The domaine uses minimal new oak so as to avoid masking the natural flavours of the wines.

Armand Rousseau Pere & Fils

Distinctively pure and effortlessly confident. Organic principles, no fertilizer, herbicides or pesticides used.

Mostly whole berries, small percentage of whole bunch, gentle extraction and 18 months oak maturations. Purity of expressions and the signature silky texture.

Buisson-Charles (Official Importer)

Fourth generation Catherine Buisson and her husband Patrick Essa manages the estate to date, practicing organic viticulture and desire to produce high-end wines, without the slightest compromise. Grapes are lowly yield, hand harvested and made with minimum intervention, allowing the grapes to speak of its "terroir"

Bruno Clair (Official Importer)

The grapes are partially de-stemmed before being put into open wood vats. Fermentation begins slowly using only naturally occurring indigenous yeasts.

The temperature is controlled to ensure it does not exceed 32°C to 34 °C. Punching down of the cap ensure takes place between 2 to 8 times per day and fermentation takes from between 14 to 21 days depending on the vintage. The wines are then put into the oak barrels and transferred to the cellar.

Malolactic fermentation takes place in the spring when the cellars are heated gently by the warming of the weather.

The wines are aged in French oak and the percentage of new oak varies from 20% to 50% and for between 16-22 months depending on the vintage.

Christophe Perrot-Minot / Henri Perrot-Minot (Official Importer)

Cultivates organically with no chemical fertilizers or herbicides. The wines are partially destemmed, 50% to 60% whole bunch on average, 1-week cold maceration and matured 14 months in barrel with one fifth or less new oak. Since Christophe took over from his father in 1993, he has been trying to improve the quality of wine and maximising the potential of his vineyards.

Claude Dugat (Official Importer)

Traditional farming philosophy with no herbicides. Grapes are destemmed and aged 12 to 18 months in barrels, 60% new oak for Villages and 100% new oak for Premiers and Grand Crus. Small family run vineyard, establish since 1955 by Claude's father, Maurice. The Domaine has a cult-like following, with collectors fighting for allocations for his three Grand Crus.

Clos De Tart

The largest Grand Cru monopole in Burgundy. Organic cultivation but without certification. Mostly destemmed berries, with proportion of whole bunch depending on vintages; matured about 18 months in 100% new Tronçais oak barrels.

Domaine des Comtes Lafon (Official Importer)

Certified Biodynamic since 1998, the wines are fermented for an extended period with minimal lees stirring and matured in oak barrel for 14 to 18 months.

No new oak for villages, up to 70% for Premier Cru and up to 100% new oak for Grand Crus. The red grapes are destemmed and aged in 30% new oak barrel for 18 months.

Comte Lafon has long been considered one of the finest estates in Meursault, producing wines of intensity and concentration yet balanced.

Dominique Lafon has been in charge since 1985, taking over a domaine which already had a reputation for outstanding whites, and potentially good reds.

Denis Bachelet (Official Importer)

Lutte raisonnée with no usage of pesticides and herbicides. Grapes are destemmed and cold soak for 1-week and spend 18 months in barrel.

40% new oak for Villages and 50% for Premiers and Grand Crus. Denis decided early to be vigneron and studied wine making, he eventually took over his grandparent's estate in the early 1980s. His wine making philosophy is simple, to keep the vines healthy and do minimal intervention in the cellar.

Dominique Gallois (Official Importer)

The wines are encouragingly old, the grapes 80 percent de-stemmed and macerated for a fortnight or so. There is no system for heating or cooling the must in the large, empty, dark cellar.

These wines have depth and are a little rigid at first but are slow to develop.

Domaine Pierre Vincent (Official Importer)

Domaine Pierre Vincent is a new but immediately compelling Burgundy estate in the Côte de Beaune, established in 2023 when winemaker Pierre Vincent, alongside partners, took over the former Domaine des Terres de Velle to pursue a personal vision of minimal-intervention winemaking that foregrounds purity and terroir expression. With vineyards averaging around 60 years in some of the region's most respected villages, the domaine applies biodynamic-inspired viticulture and painstaking parcel-by-parcel vinification, combining manual harvest, careful sorting, restrained use of new oak and prolonged ageing through two winters to allow wines to stabilize naturally, all designed to let the fruit's innate energy, structure and site specificity speak clearly in both whites and reds.

Domaine Castagnier / Jerome Castagnier (Official Importer)

Practices Lutte Integree with biodynamic practices. Uses whole bunch press depending on vintage, 40% in 2015, 100% destemmed in 2016 due to frost.

Wines are mature in barrels with up to 50% new oak, depending on vintage. Jerome Castagnier is the fifth-generation vigneron through passage of female line and sons-in-law.

Domaine Francois Buffet (Official Importer)

Domaine François Buffet is a historic, family-owned estate in Volnay that combines centuries of Burgundian tradition with a thoughtful, terroir-first approach to winemaking under Marc-Olivier Buffet, the current steward of this roughly 8 hectare domaine tracing its roots to 1692. Practising organic and sustainable viticulture with hand harvests and minimal chemical intervention, the domaine favours gentle, traditional vinification marked by native yeast fermentations, subtle extraction and long élevage—typically around 18 months in older oak barrels—to produce Pinot Noirs that are elegantly lithe, transparent and expressive of their individual climats across Volnay, Pommard, Savigny-lès-Beaune and Pernand-Vergelesses.

Emmanuel Rouget (Official Importer)

Lutte Raisonnee farming practices with minimal spraying and no herbicides. Grapes are fully destemmed before cold maceration and pump over during fermentation. The wines are then mature in 100% new oak barrels for up to 18 months, depending on the wine and vintage. Emmanuel Rouget worked alongside with the legendary Henri Jayer since 1976 and was inherited the vineyard in 1996. To date Emmanuel's son, Nicolas and Guillaume, is managing the vineyard to continue Henri's legacy.

Francois Bertheau (Official Importer)

Francois Bertheau takes a hands-off approach to wine making. His wines are fermented in stainless steel and cement tanks for 14 to 16 days and mature in barrel for up to 18 months with up to 20% new oak. Francois Bertheau took over his father, Pierre's vineyard in 2003 and is producing Chambolle of typicity and focus.

His Chambolle Preimer Cru blended from Les Groseilles, Gruenchers, Noirots and Baudes.

Francois/ Nicole Lamarche (Official Importer)

Practices organic viticulture since 2010. Mostly destemmed, with small percentage of whole bunches depending on vintage. The wines are then cold soak for several days before fermentation and is aged in barrels for up to 20 months, percentage of new oak depending on vintage. Currently managed by a group of strong women; the sixth generation Nicole Lamarche, her mother, her aunt and her cousins. The estate has enviable parcels throughout the commune; making 14 different wines, including 5 Premiers Crus and 4 Grand Crus, including the family jewel La Grande Rue.

Jean Noel Gagnard (Official Importer)						
<i>The white grapes are sorted and then lightly crushed and pressed carefully so as not to crush the seeds, to prevent undesirable aromas and an oily taste. The must is stored in vat for 24 to 48 hours in order to settle. After settling, the juice is racked off the lees and put into 228-litre French oak barrels and the fermentation proceeds with naturally occurring yeasts.</i>						
<i>After 2 to 4 weeks the alcoholic fermentation is finished and the malolactic fermentation takes over which transform the harsher malic acid into lactic acid, helping to stabilize the wine and reduces its acidity. Less stirring and racking occur and prior to bottling the wines are fined.</i>

Henri Boillot (Official Importer)						
<i>Lutte raisonnee with no usage of chemicals. Red grapes are destemmed, with 1 to 2 weeks cold maceration and mature in 40% to 60% new oak barrels for 14 months.</i>						
<i>White grapes are mature in 75% to 85% new oak for 1 year with no lees stirring. Henri Boillot comes from a long line of distinguished vignerons whose roots can be traced back to the mid-19th century. Henry Boillot's initial holdings are from his father Jean Boillot and he changed the estate name to Henri Boillot after buying out his sister's and brother's shares in 2005. The estate is split roughly into half red and half white production, offering a range of good value whites and wonderful modern style Volnay.</i>

Joseph Roty (Official Importer)						
<i>Lutte Raisonnee farming philosophy with extremely low yields. Grapes are destemmed and are cold soak for a week before fermentation.</i>						
<i>The wine is then mature in barrels for up to 2 years with one third to half highly-toasted new oak for Villages and up to 90% for Premiers Crus and 100% for Grand Crus.</i>						
<i>Joseph Roty wines are unique, strong with unapologetic personality and are intensely concentrated.</i>

Lucien Le Moine (Official Importer)

Vinification is quite unusual in that they employ long macerations, a high percentage of new oak, no racking, fining or filtration and the wines are bottled with high level of carbon dioxide.

Michel Gros (Official Importer)						
<i>Rooted in Vosne-Romanée and shaped by nearly two centuries of Gros family viticultural heritage, Domaine Michel Gros is a quietly authoritative voice of the Côte de Nuits, where tradition, precision, and place converge. Anchored by the historic monopole Clos des Réas and complemented by prized parcels across Nuits-Saint-Georges, Chambolle-Musigny, and the Hautes-Côtes de Nuits, the domaine translates generations of accumulated vineyard knowledge into wines of poise and transparency. Today, Michel Gros's stewardship reflects a Burgundian ideal: respectful of lineage, attentive to terroir, and committed to crafting expressions that privilege nuance over spectacle.</i>

Paul Pernot (Official Importer)

Paul Pernot has been managing the vineyard since 1955 and is now assisted by his 3 sons. 80% of their crops are sold to négociants under contract and they bottle the remaining 20%. Fermentation and maturation varies with grape varieties and plots, the white grapes are generally barrel fermented, lightly fined and filtered, the reds are mostly destemmed follow by a 10 days maceration in concrete tanks and are rarely filtered.

Paul Pillot (Official Importer)

Domaine Paul Pillot was founded in 1900 by Jean-Baptiste Pillot and is handed to his grandson Paul in 1968. In 2004 the Domaine is handed down to Paul's son, Thierry. His focus has been put squarely in the vineyards, practicing sustainable viticulture, with a discreet use of new wood and a non-interventionist approach in the cellar.

La Pousse d'Or (Official Importer)						
<i>Practices Biodynamic viticulture. The grapes are destemmed before cold maceration and mature in one-third new oak for up to 18 months. Domaine de la Pousse d'Or is an ancient estate dating back to the Dukes of Burgundy, it was part of the vast Duvault-Blochot estate in the 19th century which include Romanee-Conti and Clos de Tart vineyards. The estate then went through many private hands with inconsistent quality until Patrick Landanger brought over the vineyard in 1997. Patrick began to revitalize the vineyard and cellar and is now managed by his son, Benoit.</i>

Pierre Guillemot (Official Importer)						
<i>At Domaine Pierre Guillemot in Savigny-lès-Beaune, winemaking unfolds as a quiet dialogue between patience, restraint, and place, where old vines, organic farming, and hands-off cellar work shape wines of unforced clarity. Guided by native fermentations, thoughtful whole-cluster use, extended macerations, and long, measured élevage in modestly seasoned oak, the Guillemot brothers favour texture and transparency over immediacy. The result is a portfolio that speaks in finely layered tones—savoury, structured, and age-worthy—capturing the understated elegance of the Côte de Beaune through a lens of classical, deeply intuitive vinification.</i>

Bruno Clair (Official Importer)						
<i>The grapes are partially de-stemmed before being put into open wood vats. Fermentation begins slowly using only naturally occurring indigenous yeasts. The temperature is controlled to ensure it does not exceed 32°C to 34 °C. Punching down of the cap ensure takes place between 2 to 8 times per day and fermentation takes from between 14 to 21 days depending on the vintage. The wines are then put into the oak barrels and transferred to the cellar. Malolactic fermentation takes place in the spring when the cellars are heated gently by the warming of the weather. The wines are aged in French oak and the percentage of new oak varies from 20% to 50% and for between 16-22 months depending on the vintage.</i>

Denis Bachelet (Official Importer)

Lutte raisonnée with no usage of pesticides and herbicides. Grapes are destemmed and cold soak for 1-week and spend 18 months in barrel.

40% new oak for Villages and 50% for Premiers and Grand Crus. Denis decided early to be vigneron and studied wine making, he eventually took over his grandparent's estate in the early 1980s. His wine making philosophy is simple, to keep the vines healthy and do minimal intervention in the cellar.

Domaine de la Romanee Conti

The pinnacle of Burgundy. Biodynamic cultivation, with densely planted vines that average 40-50 years old.

Whole bunch use varies by vintage, from 70% to 100%; natural pre-maceration, length of time depending on vintage; reds aged 18 months in 100% new French oak.

2021	Corton Charlemagne	BH:95	Drink:2033+	(New)	8,145	8,878
------	--------------------	-------	-------------	-------	-------	-------

Dominique Gallois (Official Importer)

The wines are encouragingly old, the grapes 80 percent de-stemmed and macerated for a fortnight or so. There is no system for heating or cooling the must in the large, empty, dark cellar.

These wines have depth and are a little rigid at first but are slow to develop.

Domaine Pierre Vincent (Official Importer)

Domaine Pierre Vincent is a new but immediately compelling Burgundy estate in the Côte de Beaune, established in 2023 when winemaker Pierre Vincent, alongside partners, took over the former Domaine des Terres de Velle to pursue a personal vision of minimal-intervention winemaking that foregrounds purity and terroir expression. With vineyards averaging around 60 years in some of the region's most respected villages, the domaine applies biodynamic-inspired viticulture and painstaking parcel-by-parcel vinification, combining manual harvest, careful sorting, restrained use of new oak and prolonged ageing through two winters to allow wines to stabilize naturally, all designed to let the fruit's innate energy, structure and site specificity speak clearly in both whites and reds.

Emmanuel Rouget (Official Importer)						
<i>Lutte Raisonnee farming practices with minimal spraying and no herbicides. Grapes are fully destemmed before cold maceration and pump over during fermentation. The wines are then mature in 100% new oak barrels for up to 18 months, depending on the wine and vintage. Emmanuel Rouget worked alongside with the legendary Henri Jayer since 1976 and was inherited the vineyard in 1996. To date Emmanuel's son, Nicolas and Guillaume, is managing the vineyard to continue Henri's legacy.</i>

Francois Lamarche (Official Importer)						
<i>Practices organic viticulture since 2010. Mostly destemmed, with small percentage of whole bunches depending on vintage. The wines are then cold soak for several days before fermentation and is aged in barrels for up to 20 months, percentage of new oak depending on vintage. Currently managed by a group of strong women; the sixth generation Nicole Lamarche, her mother, her aunt and her cousins. The estate has enviable parcels throughout the commune; making 14 different wines, including 5 Premiers Crus and 4 Grand Crus, including the family jewel La Grande Rue.</i>						
	2021	Cote De Nuits Blanc	BH:86-88	Drink:Now	(New) 79	86
Henri Boillot (Official Importer)						
<i>Lutte raisonnee with no usage of chemicals. Red grapes are destemmed, with 1 to 2 weeks cold maceration and mature in 40% to 60% new oak barrels for 14 months. White grapes are mature in 75% to 85% new oak for 1 year with no lees stirring. Henri Boillot comes from a long line of distinguished vigneron whose roots can be traced back to the mid-19th century. Henry Boillot's initial holdings are from his father Jean Boillot and he changed the estate name to Henri Boillot after buying out his sister's and brother's shares in 2005. The estate is split roughly into half red and half white production, offering a range of good value whites and wonderful modern style Volnay.</i>

Jean Noel Gagnard (Official Importer)

The white grapes are sorted and then lightly crushed and pressed carefully so as not to crush the seeds, to prevent undesirable aromas and an oily taste. The must is stored in vat for 24 to 48 hours in order to settle. After settling, the juice is racked off the lees and put into 228-litre French oak barrels and the fermentation proceeds with naturally occurring yeasts.

After 2 to 4 weeks the alcoholic fermentation is finished and the malolactic fermentation takes over which transform the harsher malic acid into lactic acid, helping to stabilize the wine and reduces its acidity. Less stirring and racking occur and prior to bottling the wines are fined.

La Pousse d'Or (Official Importer)

Practices Biodynamic viticulture. The grapes are destemmed before cold maceration and mature in one-third new oak for up to 18 months. Domaine de la Pousse d'Or is an ancient estate

dating back to the Dukes of Burgundy, it was part of the vast Duvault-Blochot estate in the 19th century which include Romanee-Conti and Clos de Tart vineyards. The estate then went

through many private hands with inconsistent quality until Patrick Landanger brought over the vineyard in 1997. Patrick began to revitalized the vineyard and cellar and is now manage by his son, Benoit.

Latour-Giraud (Official Importer)

Latour-Giraud is a marriage of two families well established families of vigneron in 1958. Today the estate is managed by Jean-Pierre Latour who manages the wine making and marketing

and sister Florence who manages the administrative side. Pierre creates powerful, complex and yet balanced and refined white Burgundy. He ferments free-run juice with wild yeasts,

ages the Premier Cru partially in new barrels and ensures the maximum possible contact with lees.

Michel Gros (Official Importer)

Rooted in Vosne-Romanée and shaped by nearly two centuries of Gros family viticultural heritage, Domaine Michel Gros is a quietly authoritative voice of the Côte de Nuits, where tradition,

precision, and place converge. Anchored by the historic monopole Clos des Réas and complemented by prized parcels across Nuits-Saint-Georges, Chambolle-Musigny, and the

Hautes-Côtes de Nuits, the domaine translates generations of accumulated vineyard knowledge into wines of poise and transparency. Today, Michel Gros's stewardship reflects a Burgundian

ideal: respectful of lineage, attentive to terroir, and committed to crafting expressions that privilege nuance over spectacle.

Pierre Guillemot (Official Importer)						
<i>At Domaine Pierre Guillemot in Savigny-lès-Beaune, winemaking unfolds as a quiet dialogue between patience, restraint, and place, where old vines, organic farming, and hands-off cellar work shape wines of unforced clarity. Guided by native fermentations, thoughtful whole-cluster use, extended macerations, and long, measured élevage in modestly seasoned oak, the Guillemot brothers favour texture and transparency over immediacy. The result is a portfolio that speaks in finely layered tones—savoury, structured, and age-worthy—capturing the understated elegance of the Côte de Beaune through a lens of classical, deeply intuitive vinification.</i>

Raoul Gautherin & Fils (Official Importer)						
<i>Domaine Raoul Gautherin et Fils is a historic, family-run Chablis estate with roots in the region stretching back centuries that combines traditional Burgundian practice with careful, vintage-responsive vinification to let terroir speak with clarity; the domaine ferments its Chardonnay in tank or, for selected vins, in barrel, then ages on fine lees for extended periods (typically 12–15 months) to build texture, freshness and minerality, while low-intervention cellar work and a limited, judicious use of oak preserve the signature Kimmeridgian limestone expression across Petit Chablis, Village, Premier Cru and Grand Cru bottlings.</i>

Alsace (White)**Marcel Deiss (Official Importer)**

Domaine Marcel Deiss is a revered estate in Bergheim, Alsace, where biodynamic viticulture and unconventional vinification converge to foreground terroir above varietal identity; certified organic and biodynamic since the late 1990s, the domaine cultivates dense, mixed plantings of indigenous varieties that are harvested and vinified together as field blends (complantation) to capture the full expression of each site, including prestigious Grand Cru parcels. In the cellar, whole-cluster pressing, spontaneous fermentation with indigenous yeasts, extended lees ageing (often in large wood) and minimal intervention — unfinned, unfiltered, restrained sulphur — allow complex, textural wines that articulate soil, climate and micro-site with clarity, richness and age-worthiness across its Vins de Terroirs, Vins de Fruits and Vins de Temps categories.

Alain Voge (Official Importer)

Domaine Alain Voge is a benchmark estate in Cornas on the right bank of the Rhône that blends a deep respect for terroir with disciplined, low-intervention vinification to articulate the granite soils and old-vine Syrah from its organically and biodynamically farmed slopes. Hand-harvested fruit undergoes spontaneous fermentation with natural yeasts and extended macerations in stainless steel or concrete, followed by long élevage (often 18–24 months) in 228-liter barrels with a restrained proportion of new oak, minimal sulphur additions and a focus on gentle extraction, enabling wines of purity, structural clarity and age-worthiness that are expressive without heavy winemaker imprint.

Rotem & Mounir Saouma (Official Importer)

Domaine Rotem et Mounir Saouma is a distinctive Châteauneuf-du-Pape and Rhône Valley estate founded by Rotem and Mounir Saouma, the Burgundy-based winemakers behind Lucien Le Moine, who brought their deep commitment to terroir and expressive, low-intervention vinification south to the Southern Rhône beginning in 2006. Their approach emphasizes manual harvests and minimal cellar manipulation: red grapes are gently pressed with older equipment, cool macerations and spontaneous fermentations are followed by long ageing in a mix of barrels, foudres, concrete and amphorae, with no punching down, little to no racking and sulphur additions held to the bare minimum late in the process, and the wines often remain on their lees for extended periods (up to several years) to build texture, purity and complexity, producing both powerful yet finely tuned reds and compelling, age-worthy whites that reflect the varied soils and microclimates of their parcels across Châteauneuf-du-Pape and Côtes-du-Rhône Villages.

Domaine des Remizières (Official Importer)						
<i>Domaine des Révizères is a family-owned Northern Rhône estate rooted in tradition since the 1970s, when the Desmeures family began vinifying and bottling their own grapes on-site after decades of selling to the local cooperative, and has since grown to roughly 30–38 hectares across Crozes-Hermitage, Hermitage and Saint-Joseph appellations under the stewardship of Philippe Desmeures and his children Emilie (oenologist) and Christophe (viticulturist). The domaine's vinification reflects a measured, site-specific approach: Syrah and white varieties are hand-harvested, destemmed and subjected to cold pre-fermentation maceration before fermentation in temperature-controlled stainless steel or large oak vats, followed by élevage in French oak barrels (with proportions of new wood varying by cuvée) and, in many cases, extended lees contact for texture and balance, yielding wines of concentrated fruit, structural clarity and expressive terroir.</i>

Domaine de Fontbonau (Official Importer)						
<i>Domaine de Fontbonau is a dynamic Côtes-du-Rhône estate in the southern Rhône Valley founded in 2008 on roughly 42 hectares of predominantly old-vine Grenache and Syrah whose ambition is to craft expressive wines that reflect the mosaic of soils and microclimates in Montbrison-sur-Lez. The domaine's vinification is deliberately artisanal and plot-sensitive: grapes are harvested and hand-sorted, then fermented separately by parcel with indigenous yeasts without added sulfur to preserve aromatic purity, often preceded by cold pre-fermentation maceration to enhance color and nuance, and undergo gentle manual punch-downs; after about 12 months of élevage in a combination of vats and barrels, wines are bottled without fining or filtration, yielding structured, terroir-driven expressions that balance fruit intensity, tannic finesse and freshness.</i>

Domaine Jean-Louis Chave (Official Importer)						
<i>Domaine Jean-Louis Chave is one of the most revered estates in the Northern Rhône, where sixteenth-generation stewardship combines deep respect for tradition with meticulous, terroir-driven vinification to produce benchmark Hermitage wines of extraordinary finesse and longevity. Rooted in centuries-old vineyards on Hermitage Hill, the domaine hand-harvests fruit from a mosaic of parcels that are vinified and aged separately by site, often with partial destemming and varying stem inclusion to modulate structure and freshness, before careful blending into the iconic Hermitage rouge aged in predominantly older French oak with a restrained proportion of new barrels; the Hermitage blanc is crafted from Marsanne and Roussanne with a portion fermented in barrels and the rest in stainless steel, all designed to preserve purity, minerality and complexity through extended élevage.</i>

Isabel Ferrando (Official Importer)						
<i>Domaine Isabel Ferrando (also known today under the Famille Isabel Ferrando banner) is a highly regarded Châteauneuf-du-Pape estate in the Southern Rhône founded by Isabel Ferrando after she left a career in finance to pursue winemaking, and it has since become synonymous with expressive, terroir-led wines that balance power with precision. Drawing on organically and biodynamically farmed old-vine Grenache, Cinsault, Mourvèdre and other permitted varieties, the domaine practices parcel-specific vinification with indigenous yeasts and significant whole-cluster inclusion, often fermenting in cement and ageing in a mix of neutral demi-muids, amphorae and glass vessels to preserve fruit purity and textural complexity; depending on the cuvée, fermentations can be long and gentle with minimal destemming, followed by careful élevage without filtration to articulate site, vintage and varietal interplay with clarity and elegance.</i>

Jean-Louis Chave Selection (Official Importer)						
<i>Jean-Louis Chave Sélection is the negociant arm of the famed Hermitage house, extending the estate's exacting standards of terroir expression and vinification to a curated range of Rhône appellations beyond the family's own Hermitage vineyards. Drawing on long-standing relationships with growers across the Southern and Northern Rhône, the selection prioritises fruit from parcels farmed with respect for vineyard balance and low intervention, and the wines are crafted with a disciplined, site-sensitive approach in the cellar: fermentations with indigenous yeasts, careful management of temperature and extraction to preserve varietal purity and textural nuance, and élevage tailored to each cuvée in neutral barrels, concrete or vats with minimal new oak. The result is a portfolio that reflects the diversity of Rhône soils and climates while maintaining the structural clarity, precision and aging potential associated with the Chave name.</i>

Paul Jaboulet Aîné (Official Importer)						
<i>Domaine Paul Jaboulet Aîné is one of the historic pillars of the Northern Rhône, founded in Tain-l'Hermitage in 1834 and today led by Caroline Frey, whose stewardship has seen a renewed commitment to organic and biodynamic viticulture across its iconic Hermitage, Crozes-Hermitage, Cornas, Saint-Joseph and other appellations. In the cellar, meticulous, gentle vinification practices are central to the house's identity: grapes are hand-harvested and sorted to preserve integrity, whites such as Viognier are often whole-bunch pressed and fermented at controlled low temperatures to retain aromatic precision, and a thoughtful selection of fermentation vessels — from stainless steel and concrete to barrels and clay — is used to shape texture and complexity with minimal oak influence; for its flagship Hermitage La Chapelle and other reds, fermentation in stainless vats is followed by extended élevage in French oak to build structure, depth and age-worthiness while preserving terroir clarity.</i>

Rhône Valley (White)

Alain Vogé (Official Importer)

Domaine Alain Vogé is a benchmark estate in Cornas on the right bank of the Rhône that blends a deep respect for terroir with disciplined, low-intervention vinification to articulate the granite soils and old-vine Syrah from its organically and biodynamically farmed slopes. Hand-harvested fruit undergoes spontaneous fermentation with natural yeasts and extended macerations in stainless steel or concrete, followed by long élevage (often 18–24 months) in 228-liter barrels with a restrained proportion of new oak, minimal sulphur additions and a focus on gentle extraction, enabling wines of purity, structural clarity and age-worthiness that are expressive without heavy winemaker imprint.

Chateau Grillet (Official Importer)

Château-Grillet is a unique, historic Northern Rhône monopole appellation devoted exclusively to dry white wine from 100% Viognier, cultivated on just 3.5–3.8 hectares of steep, granite-rich terraces overlooking the Rhône, and renowned for producing some of the region's most rare and age-worthy whites. The estate's vinification emphasises meticulous, plot-by-plot work with hand harvesting and individual pressing, followed by fermentation and extended élevage—typically 18–24 months in predominantly used French oak barrels with a moderate proportion of new wood—to build structure and longevity without overt oak influence—resulting in wines of concentrated stone fruit, floral and mineral character that are intended for long ageing rather than early consumption.

Domaine des Remizières (Official Importer)

Domaine des Rémières is a family-owned Northern Rhône estate rooted in tradition since the 1970s, when the Desmeures family began vinifying and bottling their own grapes on-site after decades of selling to the local cooperative, and has since grown to roughly 30–38 hectares across Crozes-Hermitage, Hermitage and Saint-Joseph appellations under the stewardship of Philippe Desmeures and his children Emilie (oenologist) and Christophe (viticulturist). The domaine's vinification reflects a measured, site-specific approach: Syrah and white varieties are hand-harvested, destemmed and subjected to cold pre-fermentation maceration before fermentation in temperature-controlled stainless steel or large oak vats, followed by élevage in French oak barrels (with proportions of new wood varying by cuvée) and, in many cases, extended lees contact for texture and balance, yielding wines of concentrated fruit, structural clarity and expressive terroir.

Domaine Jean-Louis Chave (Official Importer)						
<i>Domaine Jean-Louis Chave is one of the most revered estates in the Northern Rhône, where sixteenth-generation stewardship combines deep respect for tradition with meticulous, terroir-driven vinification to produce benchmark Hermitage wines of extraordinary finesse and longevity. Rooted in centuries-old vineyards on Hermitage Hill, the domaine hand-harvests fruit from a mosaic of parcels that are vinified and aged separately by site, often with partial destemming and varying stem inclusion to modulate structure and freshness, before careful blending into the iconic Hermitage rouge aged in predominantly older French oak with a restrained proportion of new barrels; the Hermitage blanc is crafted from Marsanne and Roussanne with a portion fermented in barrels and the rest in stainless steel, all designed to preserve purity, minerality and complexity through extended élevage.</i>

Isabel Ferrando (Official Importer)						
<i>Domaine Isabel Ferrando (also known today under the Famille Isabel Ferrando banner) is a highly regarded Châteauneuf-du-Pape estate in the Southern Rhône founded by Isabel Ferrando after she left a career in finance to pursue winemaking, and it has since become synonymous with expressive, terroir-led wines that balance power with precision. Drawing on organically and biodynamically farmed old-vine Grenache, Cinsault, Mourvèdre and other permitted varieties, the domaine practices parcel-specific vinification with indigenous yeasts and significant whole-cluster inclusion, often fermenting in cement and ageing in a mix of neutral demi-muids, amphorae and glass vessels to preserve fruit purity and textural complexity; depending on the cuvée, fermentations can be long and gentle with minimal destemming, followed by careful élevage without filtration to articulate site, vintage and varietal interplay with clarity and elegance.</i>

Jean-Louis Chave Selection (Official Importer)						
<i>Jean-Louis Chave Sélection is the negociant arm of the famed Hermitage house, extending the estate's exacting standards of terroir expression and vinification to a curated range of Rhône appellations beyond the family's own Hermitage vineyards. Drawing on long-standing relationships with growers across the Southern and Northern Rhône, the selection prioritises fruit from parcels farmed with respect for vineyard balance and low intervention, and the wines are crafted with a disciplined, site-sensitive approach in the cellar: fermentations with indigenous yeasts, careful management of temperature and extraction to preserve varietal purity and textural nuance, and élevage tailored to each cuvée in neutral barrels, concrete or vats with minimal new oak. The result is a portfolio that reflects the diversity of Rhône soils and climates while maintaining the structural clarity, precision and aging potential associated with the Chave name.</i>

Rotem & Mounir Saouma (Official Importer)						
<i>Domaine Rotem et Mounir Saouma is a distinctive Châteauneuf-du-Pape and Rhône Valley estate founded by Rotem and Mounir Saouma, the Burgundy-based winemakers behind Lucien Le Moine, who brought their deep commitment to terroir and expressive, low-intervention vinification south to the Southern Rhône beginning in 2006. Their approach emphasizes manual harvests and minimal cellar manipulation: red grapes are gently pressed with older equipment, cool macerations and spontaneous fermentations are followed by long ageing in a mix of barrels, foudres, concrete and amphorae, with no punching down, little to no racking and sulphur additions held to the bare minimum late in the process, and the wines often remain on their lees for extended periods (up to several years) to build texture, purity and complexity, producing both powerful yet finely tuned reds and compelling, age-worthy whites that reflect the varied soils and microclimates of their parcels across Châteauneuf-du-Pape and Côtes-du-Rhône Villages.</i>

Bruno Giacosa (Official Importer)						
<i>Bruno Giacosa stands as one of Piedmont's most revered traditionalists, a quietly exacting custodian of Barolo and Barbaresco whose philosophy elevated precision, restraint, and vineyard fidelity to an art form. Working with rigorously selected fruit from elite sites, Giacosa championed classical vinification built on long, temperature-controlled fermentations, extended skin macerations, and prolonged ageing in large Slavonian oak botti rather than small barriques, allowing Nebbiolo's tannic architecture and aromatic complexity to unfold slowly and transparently. Rejecting cosmetic winemaking in favour of purity and patience, his wines—whether estate-bottled or sourced from trusted growers—remain benchmarks of balance, longevity, and terroir expression, embodying a deeply intellectual and uncompromising vision of Piedmontese excellence.</i>

Massolino (Official Importer)						
<i>In the hands of Massolino, Barolo becomes a study in gravity and grace, where more than a century of family stewardship in Serralunga d'Alba is distilled into wines of quiet authority. Guided by long fermentations, patient macerations, and extended élevage in large Slavonian oak, with barrique reserved only where nuance demands it, the estate privileges structure, transparency, and slow evolution over immediacy. Each bottling unfolds as a measured conversation between limestone soils, disciplined vinification, and time itself, affirming Massolino's role as both guardian and interpreter of Nebbiolo's most enduring classical voice.</i>

Emmerich Knoll (Official Importer)

Domaine Emmerich Knoll is one of Austria's most esteemed estates in the Wachau Valley, where three generations of the Knoll family have made white wine a standard of precision and longevity, translating the steep, terraced vineyards of sites such as Loibenberg, Kellerberg and Schütt into wines that balance minerality, tension and depth. Viticultural rigor—hand harvesting and strict quality control under the Vinea Wachau Nobilis Districtus framework—is matched in the cellar by traditional, low-intervention vinification: spontaneous fermentations with indigenous yeasts, careful handling to preserve varietal purity, and maturation largely in large, neutral oak casks or old foudres following stainless-steel fermentation to build texture without overshadowing site specificity. The resulting Rieslings and Grüner Veltliners are celebrated for their crystalline structure, expressive terroir, and capacity to age gracefully across the Wachau's Federspiel and Smaragd tiers.

Eisele Vineyard (Official Importer)

Domaine Eisele Vineyard is a small, iconic Napa Valley estate in Calistoga whose history of vineyard-designated winemaking — beginning with Ridge's 1971 Cabernet and continued through the Araujos and current stewards — reflects a singular commitment to letting site and fruit lead the vinification. Perched on well-drained cobbly alluvial soils and farmed organically and biodynamically, the estate focuses on meticulous, low-intervention cellar work that respects the vineyard's character: careful sorting of fruit from divided blocks, restrained extraction and fermentation tailored to each variety, and judicious use of aging vessels (from stainless and concrete to seasoned oak) to preserve purity, balance and texture without imposing a heavy stylistic stamp. This terroir-first philosophy yields Cabernet Sauvignon, Syrah and Sauvignon Blanc wines that are concentrated yet refined, poised for longevity, and expressive of Eisele's distinctive minerality and structure.

Wild Duck Creek Estate (Official Importer)

Wild Duck Creek Estate is a cult family-owned winery in Heathcote, Victoria that has, since the 1970s, forged a reputation for intensely flavored, structurally bold wines that reflect meticulous vineyard selection and artisanal vinification practices; its Shiraz and Cabernet fruit are often partly destemmed with a controlled proportion of whole bunches to build layered texture and manage fermentation dynamics, hand-plunged and basket-pressed before extended élevage — frequently up to two years in new and seasoned French oak barriques — while flagship wines such as Springflat Shiraz are crafted parcel by parcel with careful oak integration to balance power and nuance, and whites like White Duck are fermented and aged in French oak to preserve aromatic complexity and textural vibrancy.

Whicher Ridge (Official Importer)

Whicher Ridge Wines is a small, family-owned winery in the Geographe region of Western Australia led by vigneron-winemaker Cathy Howard and her partner Neil Howard, who apply a hands-on, terroir-driven approach to both vineyard and cellar work. While the estate focuses on sustainable, small-batch production of a range of varietals such as Sauvignon Blanc, Viognier, Shiraz and Cabernet Sauvignon predominantly from their own Odyssey Creek Vineyard and carefully chosen partner sites in Margaret River, Geographe and the Great Southern, their vinification reflects a philosophy of letting site and fruit guide style: grapes are picked for optimal ripeness and quality, fermented in small lots with wild or selected yeasts, and finished either in stainless steel to preserve pure fruit character or in French oak for added texture and complexity, with thoughtful blending and extended maturation (often 12–24 months) allowing the wines to reveal both regional identity and structural balance.

New Zealand (Red)

Ata Rangi (Official Importer)

Domaine Ata Rangi is a pioneering, family-owned estate in Martinborough, New Zealand, widely recognised for some of the country's most compelling Pinot Noir and expressive cool-climate wines, grounded in a philosophy that the vineyard should do the talking and the cellar merely guide. The team practices organic viticulture on shallow, gravelly terrace soils and harvests by hand, then approaches vinification with a traditional, low-intervention ethos that emphasises natural balance and vintage expression: small-batch fermentations with careful handling of whole-bunch and parcel-specific fruit, gentle extraction to preserve finesse and complexity, and thoughtful aging in French oak — predominantly older barrels — to support texture and structure without obscuring terroir. Across its Pinot Noir, Chardonnay, and other cool-climate varieties, this disciplined approach yields wines of depth, tension and length that articulate the unique Martinborough terrace with clarity and poise.

Julian Haart (Official Importer)

Domaine Julian Haart is a small, highly sought-after Riesling producer in Piesport on the Mosel, where Julian and his wife Nadine farm roughly five hectares of steep, slate-rich vineyards—including parcels in Ohligsberg and Goldtröpfchen—with uncompromising hand work and a focus on purity and balance. Since his first solo vintage in 2010, Haart's vinification has been defined by low-intervention, site-sensitive techniques that vary by wine: many cuvées undergo natural, cool fermentations with indigenous yeasts in stainless steel or traditional Mosel fuders, with fermentation temperatures and skin contact tailored to the identity of each bottling, from bone-dry village and Mosel Rieslings to Kabinett and rarer Prädikat styles, all aiming to preserve the region's signature fresh acidity, fine mineral structure and nuanced expression of vintage and vineyard.
