## Burgundy (Red)

### A. et P. de Villaine (Official Importer)

*Certified organic since 1986 with no pesticides and herbicides. Grapes are hand harvested and hand sorted before a gentle press and is fermented in temperature-controlled tanks. Natural vinification is an extension of the philosophy of organic cultivation, this allow the natural expression of the nuances and aromas particular to each terroir and grape variety. The domaine uses minimal new oak so as to avoid masking the natural flavours of the wines.*

### Arnoux Lachaux

*Domaine Arnoux-Lachaux is one of Burgundy's most prestigious and rapidly ascending wine estates, located in the heart of Vosne-Romanée. Originally founded in 1858 and known for generations as Domaine Robert Arnoux, the estate was renamed in 2008 to reflect the leadership of Pascal Lachaux and his wife Florence Arnoux. Today, it is steered by their son Charles Lachaux (the sixth generation), who has transformed the domaine into a "cult" favorite through radical viticultural and winemaking changes.*

**Bruno Clair (Official Importer)**

The grapes are partially de-stemmed before being put into open wood vats. Fermentation begins slowly using only naturally occurring indigenous yeasts.

The temperature is controlled to ensure it does not exceed 32°C to 34 °C. Punching down of the cap ensure takes place between 2 to 8 times per day and fermentation takes from between 14 to 21 days depending on the vintage. The wines are then put into the oak barrels and transferred to the cellar.

Malolactic fermentation takes place in the spring when the cellars are heated gently by the warming of the weather.

The wines are aged in French oak and the percentage of new oak varies from 20% to 50% and for between 16-22 months depending on the vintage.

**Christophe Perrot-Minot / Henri Perrot-Minot (Official Importer)**

Cultivates organically with no chemical fertilizers or herbicides. The wines are partially destemmed, 50% to 60% whole bunch on average, 1-week cold maceration and matured 14 months in barrel with one fifth or less new oak. Since Christophe took over from his father in 1993, he has been trying to improve the quality of wine and maximising the potential of his vineyards.

<b>Domaine Pierre Vincent (Official Importer)</b>						
<i>Domaine Pierre Vincent is a new but immediately compelling Burgundy estate in the Côte de Beaune, established in 2023 when winemaker Pierre Vincent, alongside partners, took over the former Domaine des Terres de Velle to pursue a personal vision of minimal-intervention winemaking that foregrounds purity and terroir expression. With vineyards averaging around 60 years in some of the region's most respected villages, the domaine applies biodynamic-inspired viticulture and painstaking parcel-by-parcel vinification, combining manual harvest, careful sorting, restrained use of new oak and prolonged ageing through two winters to allow wines to stabilize naturally, all designed to let the fruit's innate energy, structure and site specificity speak clearly in both whites and reds.</i>

**Domaine Francois Buffet (Official Importer)**

*Domaine François Buffet is a historic, family-owned estate in Volnay that combines centuries of Burgundian tradition with a thoughtful, terroir-first approach to winemaking under Marc-Olivier Buffet, the current steward of this roughly 8 hectare domaine tracing its roots to 1692. Practising organic and sustainable viticulture with hand harvests and minimal chemical intervention, the domaine favours gentle, traditional vinification marked by native yeast fermentations, subtle extraction and long élevage—typically around 18 months in older oak barrels—to produce Pinot Noirs that are elegantly lithe, transparent and expressive of their individual climats across Volnay, Pommard, Savigny-lès-Beaune and Pernand-Vergelesses.*

**Emmanuel Rouget (Official Importer)**

*Lutte Raisonnee farming practices with minimal spraying and no herbicides. Grapes are fully destemmed before cold maceration and pump over during fermentation. The wines are then mature in 100% new oak barrels for up to 18 months, depending on the wine and vintage. Emmanuel Rouget worked alongside with the legendary Henri Jayer since 1976 and was inherited the vineyard in 1996. To date Emmanuel's son, Nicolas and Guillaume, is managing the vineyard to continue Henri's legacy.*

**Jean Noel Gagnard (Official Importer)**

*The white grapes are sorted and then lightly crushed and pressed carefully so as not to crush the seeds, to prevent undesirable aromas and an oily taste. The must is stored in vat for 24 to 48 hours in order to settle. After settling, the juice is racked off the lees and put into 228-litre French oak barrels and the fermentation proceeds with naturally occurring yeasts. After 2 to 4 weeks the alcoholic fermentation is finished and the malolactic fermentation takes over which transform the harsher malic acid into lactic acid, helping to stabilize the wine and reduces its acidity. Less stirring and racking occur and prior to bottling the wines are fined.*

**Joseph Roty (Official Importer)**

*Lutte Raisonnee farming philosophy with extremely low yields. Grapes are destemmed and are cold soak for a week before fermentation.*

*The wine is then mature in barrels for up to 2 years with one third to half highly-toasted new oak for Villages and up to 90% for Premiers Crus and 100% for Grand Crus.*

*Joseph Roty wines are unique, strong with unapologetic personality and are intensely concentrated.*

<i>Vinification is quite unusual in that they employ long macerations, a high percentage of new oak, no racking, fining or filtration and the wines are bottled with high level of carbon dioxide.</i>

<b>Michel Gros (Official Importer)</b>						
<i>Rooted in Vosne-Romanée and shaped by nearly two centuries of Gros family viticultural heritage, Domaine Michel Gros is a quietly authoritative voice of the Côte de Nuits, where tradition, precision, and place converge. Anchored by the historic monopole Clos des Réas and complemented by prized parcels across Nuits-Saint-Georges, Chambolle-Musigny, and the Hautes-Côtes de Nuits, the domaine translates generations of accumulated vineyard knowledge into wines of poise and transparency. Today, Michel Gros's stewardship reflects a Burgundian ideal: respectful of lineage, attentive to terroir, and committed to crafting expressions that privilege nuance over spectacle.</i>

**Paul Pernot (Official Importer)**

*Paul Pernot has been managing the vineyard since 1955 and is now assisted by his 3 sons. 80% of their crops are sold to négociants under contract and they bottle the remaining 20%. Fermentation and maturation varies with grape varieties and plots, the white grapes are generally barrel fermented, lightly fined and filtered, the reds are mostly destemmed follow by a 10 days maceration in concrete tanks and are rarely filtered.*

**Paul Pillot (Official Importer)**

*Domaine Paul Pillot was founded in 1900 by Jean-Baptiste Pillot and is handed to his grandson Paul in 1968. In 2004 the Domaine is handed down to Paul's son, Thierry. His focus has been put squarely in the vineyards, practicing sustainable viticulture, with a discreet use of new wood and a non-interventionist approach in the cellar.*

<b>La Pousse d'Or (Official Importer)</b>						
<i>Practices Biodynamic viticulture. The grapes are destemmed before cold maceration and mature in one-third new oak for up to 18 months. Domaine de la Pousse d'Or is an ancient estate dating back to the Dukes of Burgundy, it was part of the vast Duvault-Blochot estate in the 19<sup>th</sup> century which include Romanee-Conti and Clos de Tart vineyards. The estate then went through many private hands with inconsistent quality until Patrick Landanger brought over the vineyard in 1997. Patrick began to revitalize the vineyard and cellar and is now managed by his son, Benoit.</i>

**Pierre Guillemot (Official Importer)**

*At Domaine Pierre Guillemot in Savigny-lès-Beaune, winemaking unfolds as a quiet dialogue between patience, restraint, and place, where old vines, organic farming, and hands-off cellar work shape wines of unforced clarity. Guided by native fermentations, thoughtful whole-cluster use, extended macerations, and long, measured élevage in modestly seasoned oak, the Guillemot brothers favour texture and transparency over immediacy. The result is a portfolio that speaks in finely layered tones—savoury, structured, and age-worthy—capturing the understated elegance of the Côte de Beaune through a lens of classical, deeply intuitive vinification.*

*The grapes are partially de-stemmed before being put into open wood vats. Fermentation begins slowly using only naturally occurring indigenous yeasts.*

*The temperature is controlled to ensure it does not exceed 32°C to 34 °C. Punching down of the cap ensure takes place between 2 to 8 times per day and fermentation takes from between 14 to 21 days depending on the vintage. The wines are then put into the oak barrels and transferred to the cellar.*

*Malolactic fermentation takes place in the spring when the cellars are heated gently by the warming of the weather.*

*The wines are aged in French oak and the percentage of new oak varies from 20% to 50% and for between 16-22 months depending on the vintage.*

<b>Domaine Pierre Vincent (Official Importer)</b>							
<i>Domaine Pierre Vincent is a new but immediately compelling Burgundy estate in the Côte de Beaune, established in 2023 when winemaker Pierre Vincent, alongside partners, took over the former Domaine des Terres de Velle to pursue a personal vision of minimal-intervention winemaking that foregrounds purity and terroir expression. With vineyards averaging around 60 years in some of the region's most respected villages, the domaine applies biodynamic-inspired viticulture and painstaking parcel-by-parcel vinification, combining manual harvest, careful sorting, restrained use of new oak and prolonged ageing through two winters to allow wines to stabilize naturally, all designed to let the fruit's innate energy, structure and site specificity speak clearly in both whites and reds.</i>

<b>Jean Noel Gagnard (Official Importer)</b>						
<i>The white grapes are sorted and then lightly crushed and pressed carefully so as not to crush the seeds, to prevent undesirable aromas and an oily taste. The must is stored in vat for 24 to 48 hours in order to settle. After settling, the juice is racked off the lees and put into 228-litre French oak barrels and the fermentation proceeds with naturally occurring yeasts.</i>						
<i>After 2 to 4 weeks the alcoholic fermentation is finished and the malolactic fermentation takes over which transform the harsher malic acid into lactic acid, helping to stabilize the wine and reduces its acidity. Less stirring and racking occur and prior to bottling the wines are fined.</i>

<b>La Pousse d'Or (Official Importer)</b>						
<i>Practices Biodynamic viticulture. The grapes are destemmed before cold maceration and mature in one-third new oak for up to 18 months. Domaine de la Pousse d'Or is an ancient estate dating back to the Dukes of Burgundy, it was part of the vast Duvault-Blochot estate in the 19<sup>th</sup> century which include Romanee-Conti and Clos de Tart vineyards. The estate then went through many private hands with inconsistent quality until Patrick Landanger brought over the vineyard in 1997. Patrick began to revitalize the vineyard and cellar and is now managed by his son, Benoit.</i>

<b>Michel Gros (Official Importer)</b>						
<i>Rooted in Vosne-Romanée and shaped by nearly two centuries of Gros family viticultural heritage, Domaine Michel Gros is a quietly authoritative voice of the Côte de Nuits, where tradition, precision, and place converge. Anchored by the historic monopole Clos des Réas and complemented by prized parcels across Nuits-Saint-Georges, Chambolle-Musigny, and the Hautes-Côtes de Nuits, the domaine translates generations of accumulated vineyard knowledge into wines of poise and transparency. Today, Michel Gros's stewardship reflects a Burgundian ideal: respectful of lineage, attentive to terroir, and committed to crafting expressions that privilege nuance over spectacle.</i>

<b>Pierre Guillemot (Official Importer)</b>						
<i>At Domaine Pierre Guillemot in Savigny-lès-Beaune, winemaking unfolds as a quiet dialogue between patience, restraint, and place, where old vines, organic farming, and hands-off cellar work shape wines of unforced clarity. Guided by native fermentations, thoughtful whole-cluster use, extended macerations, and long, measured élevage in modestly seasoned oak, the Guillemot brothers favour texture and transparency over immediacy. The result is a portfolio that speaks in finely layered tones—savoury, structured, and age-worthy—capturing the understated elegance of the Côte de Beaune through a lens of classical, deeply intuitive vinification.</i>

<b>Raoul Gautherin &amp; Fils (Official Importer)</b>						
<i>Domaine Raoul Gautherin et Fils is a historic, family-run Chablis estate with roots in the region stretching back centuries that combines traditional Burgundian practice with careful, vintage-responsive vinification to let terroir speak with clarity; the domaine ferments its Chardonnay in tank or, for selected vins, in barrel, then ages on fine lees for extended periods (typically 12–15 months) to build texture, freshness and minerality, while low-intervention cellar work and a limited, judicious use of oak preserve the signature Kimmeridgian limestone expression across Petit Chablis, Village, Premier Cru and Grand Cru bottlings.</i>

### Clos Rougeard (Official Importer)

*At Clos Rougeard, the legacy is inseparable from the quiet intensity of the Foucault family, whose stewardship—most notably through brothers Charly Foucault and Nady Foucault—transformed a modest Saumur estate into a benchmark for Saumur-Champigny. Eschewing publicity in favor of precision, they cultivated old-vine Cabernet Franc with an almost obsessive attention to detail, embracing organic methods before they were fashionable and insisting on exacting standards in the cellar. Since the estate's acquisition by the Bouygues family, that ethos has been carefully preserved rather than reinvented—an acknowledgment that Clos Rougeard's identity lies not in innovation for its own sake, but in the disciplined continuity of a vision shaped over generations.*

## Loire Valley (White)

### Clos Rougeard (Official Importer)

*At Clos Rougeard, the legacy is inseparable from the quiet intensity of the Foucault family, whose stewardship—most notably through brothers Charly Foucault and Nady Foucault—transformed a modest Saumur estate into a benchmark for Saumur-Champigny. Eschewing publicity in favor of precision, they cultivated old-vine Cabernet Franc with an almost obsessive attention to detail, embracing organic methods before they were fashionable and insisting on exacting standards in the cellar. Since the estate's acquisition by the Bouygues family, that ethos has been carefully preserved rather than reinvented—an acknowledgment that Clos Rougeard's identity lies not in innovation for its own sake, but in the disciplined continuity of a vision shaped over generations.*

### Alain Voge (Official Importer)

*Domaine Alain Voge is a benchmark estate in Cornas on the right bank of the Rhône that blends a deep respect for terroir with disciplined, low-intervention vinification to articulate the granite soils and old-vine Syrah from its organically and biodynamically farmed slopes. Hand-harvested fruit undergoes spontaneous fermentation with natural yeasts and extended macerations in stainless steel or concrete, followed by long élevage (often 18–24 months) in 228-liter barrels with a restrained proportion of new oak, minimal sulphur additions and a focus on gentle extraction, enabling wines of purity, structural clarity and age-worthiness that are expressive without heavy winemaker imprint.*

### Rotem & Mounir Saouma (Official Importer)

*Domaine Rotem et Mounir Saouma is a distinctive Châteauneuf-du-Pape and Rhône Valley estate founded by Rotem and Mounir Saouma, the Burgundy-based winemakers behind Lucien Le Moine, who brought their deep commitment to terroir and expressive, low-intervention vinification south to the Southern Rhône beginning in 2006. Their approach emphasizes manual harvests and minimal cellar manipulation: red grapes are gently pressed with older equipment, cool macerations and spontaneous fermentations are followed by long ageing in a mix of barrels, foudres, concrete and amphorae, with no punching down, little to no racking and sulphur additions held to the bare minimum late in the process, and the wines often remain on their lees for extended periods (up to several years) to build texture, purity and complexity, producing both powerful yet finely tuned reds and compelling, age-worthy whites that reflect the varied soils and microclimates of their parcels across Châteauneuf-du-Pape and Côtes-du-Rhône Villages.*

### Domaine des Rémizières (Official Importer)

*Domaine des Rémizières is a family-owned Northern Rhône estate rooted in tradition since the 1970s, when the Desmeures family began vinifying and bottling their own grapes on-site after decades of selling to the local cooperative, and has since grown to roughly 30–38 hectares across Crozes-Hermitage, Hermitage and Saint-Joseph appellations under the stewardship of Philippe Desmeures and his children Emilie (oenologist) and Christophe (viticulturist). The domaine's vinification reflects a measured, site-specific approach: Syrah and white varieties are hand-harvested, destemmed and subjected to cold pre-fermentation maceration before fermentation in temperature-controlled stainless steel or large oak vats, followed by élevage in French oak barrels (with proportions of new wood varying by cuvée) and, in many cases, extended lees contact for texture and balance, yielding wines of concentrated fruit, structural clarity and expressive terroir.*

<b>Domaine de Fontbonau (Official Importer)</b>							
<i>Domaine de Fontbonau is a dynamic Côtes-du-Rhône estate in the southern Rhône Valley founded in 2008 on roughly 42 hectares of predominantly old-vine Grenache and Syrah whose ambition is to craft expressive wines that reflect the mosaic of soils and microclimates in Montbrison-sur-Lez. The domaine's vinification is deliberately artisanal and plot-sensitive: grapes are harvested and hand-sorted, then fermented separately by parcel with indigenous yeasts without added sulfur to preserve aromatic purity, often preceded by cold pre-fermentation maceration to enhance color and nuance, and undergo gentle manual punch-downs; after about 12 months of élevage in a combination of vats and barrels, wines are bottled without fining or filtration, yielding structured, terroir-driven expressions that balance fruit intensity, tannic finesse and freshness.</i>

**Paul Jaboulet Ainé (Official Importer)**

*Domaine Paul Jaboulet Ainé is one of the historic pillars of the Northern Rhône, founded in Tain-l'Hermitage in 1834 and today led by Caroline Frey, whose stewardship has seen a renewed commitment to organic and biodynamic viticulture across its iconic Hermitage, Crozes-Hermitage, Cornas, Saint-Joseph and other appellations. In the cellar, meticulous, gentle vinification practices are central to the house's identity: grapes are hand-harvested and sorted to preserve integrity, whites such as Viognier are often whole-bunch pressed and fermented at controlled low temperatures to retain aromatic precision, and a thoughtful selection of fermentation vessels — from stainless steel and concrete to barrels and clay — is used to shape texture and complexity with minimal oak influence; for its flagship Hermitage La Chapelle and other reds, fermentation in stainless vats is followed by extended élevage in French oak to build structure, depth and age-worthiness while preserving terroir clarity.*

*Château-Grillet is a unique, historic Northern Rhône monopole appellation devoted exclusively to dry white wine from 100% Viognier, cultivated on just 3.5–3.8 hectares of steep, granite-rich terraces overlooking the Rhône, and renowned for producing some of the region's most rare and age-worthy whites. The estate's vinification emphasises meticulous, plot-by-plot work with hand harvesting and individual pressing, followed by fermentation and extended élevage—typically 18–24 months in predominantly used French oak barrels with a moderate proportion of new wood—to build structure and longevity without overt oak influence—resulting in wines of concentrated stone fruit, floral and mineral character that are intended for long ageing rather than early consumption.*

*Domaine Rotem et Mounir Saouma is a distinctive Châteauneuf-du-Pape and Rhône Valley estate founded by Rotem and Mounir Saouma, the Burgundy-based winemakers behind Lucien Le Moine, who brought their deep commitment to terroir and expressive, low-intervention vinification south to the Southern Rhône beginning in 2006. Their approach emphasizes manual harvests and minimal cellar manipulation: red grapes are gently pressed with older equipment, cool macerations and spontaneous fermentations are followed by long ageing in a mix of barrels, foudres, concrete and amphorae, with no punching down, little to no racking and sulphur additions held to the bare minimum late in the process, and the wines often remain on their lees for extended periods (up to several years) to build texture, purity and complexity, producing both powerful yet finely tuned reds and compelling, age-worthy whites that reflect the varied soils and microclimates of their parcels across Châteauneuf-du-Pape and Côtes-du-Rhône Villages.*

#### Bruno Giacosa (Official Importer)

*Bruno Giacosa stands as one of Piedmont's most revered traditionalists, a quietly exacting custodian of Barolo and Barbaresco whose philosophy elevated precision, restraint, and vineyard fidelity to an art form. Working with rigorously selected fruit from elite sites, Giacosa championed classical vinification built on long, temperature-controlled fermentations, extended skin macerations, and prolonged ageing in large Slavonian oak botti rather than small barriques, allowing Nebbiolo's tannic architecture and aromatic complexity to unfold slowly and transparently. Rejecting cosmetic winemaking in favour of purity and patience, his wines—whether estate-bottled or sourced from trusted growers—remain benchmarks of balance, longevity, and terroir expression, embodying a deeply intellectual and uncompromising vision of Piedmontese excellence.*

**Massolino (Official Importer)**

*In the hands of Massolino, Barolo becomes a study in gravity and grace, where more than a century of family stewardship in Serralunga d'Alba is distilled into wines of quiet authority. Guided by long fermentations, patient macerations, and extended élevage in large Slavonian oak, with barrique reserved only where nuance demands it, the estate privileges structure, transparency, and slow evolution over immediacy. Each bottling unfolds as a measured conversation between limestone soils, disciplined vinification, and time itself, affirming Massolino's role as both guardian and interpreter of Nebbiolo's most enduring classical voice.*

**Austria (White)****Emmerich Knoll (Official Importer)**

*Domaine Emmerich Knoll is one of Austria's most esteemed estates in the Wachau Valley, where three generations of the Knoll family have made white wine a standard of precision and longevity, translating the steep, terraced vineyards of sites such as Loibenberg, Kellerberg and Schütt into wines that balance minerality, tension and depth. Viticultural rigor—hand harvesting and strict quality control under the Vinea Wachau Nobilis Districtus framework—is matched in the cellar by traditional, low-intervention vinification: spontaneous fermentations with indigenous yeasts, careful handling to preserve varietal purity, and maturation largely in large, neutral oak casks or old foudres following stainless-steel fermentation to build texture without overshadowing site specificity. The resulting Rieslings and Grüner Veltlins are celebrated for their crystalline structure, expressive terroir, and capacity to age gracefully across the Wachau's Federspiel and Smaragd tiers.*

## USA (Red)

### Eisele Vineyard (Official Importer)

Domaine Eisele Vineyard is a small, iconic Napa Valley estate in Calistoga whose history of vineyard-designated winemaking — beginning with Ridge's 1971 Cabernet and continued through the Araujos and current stewards — reflects a singular commitment to letting site and fruit lead the vinification. Perched on well-drained cobbly alluvial soils and farmed organically and biodynamically, the estate focuses on meticulous, low-intervention cellar work that respects the vineyard's character: careful sorting of fruit from divided blocks, restrained extraction and fermentation tailored to each variety, and judicious use of aging vessels (from stainless and concrete to seasoned oak) to preserve purity, balance and texture without imposing a heavy stylistic stamp. This terroir-first philosophy yields Cabernet Sauvignon, Syrah and Sauvignon Blanc wines that are concentrated yet refined, poised for longevity, and expressive of Eisele's distinctive minerality and structure.

## Eisele Vineyard (Official Importer)

Domaine Eisele Vineyard is a small, iconic Napa Valley estate in Calistoga whose history of vineyard-designated winemaking — beginning with Ridge's 1971 Cabernet and continued through the Araujos and current stewards — reflects a singular commitment to letting site and fruit lead the vinification. Perched on well-drained cobbly alluvial soils and farmed organically and biodynamically, the estate focuses on meticulous, low-intervention cellar work that respects the vineyard's character: careful sorting of fruit from divided blocks, restrained extraction and fermentation tailored to each variety, and judicious use of aging vessels (from stainless and concrete to seasoned oak) to preserve purity, balance and texture without imposing a heavy stylistic stamp. This terroir-first philosophy yields Cabernet Sauvignon, Syrah and Sauvignon Blanc wines that are concentrated yet refined, poised for longevity, and expressive of Eisele's distinctive minerality and structure.

## Wild Duck Creek Estate (Official Importer)

Wild Duck Creek Estate is a cult family-owned winery in Heathcote, Victoria that has, since the 1970s, forged a reputation for intensely flavored, structurally bold wines that reflect meticulous vineyard selection and artisanal vinification practices; its Shiraz and Cabernet fruit are often partly destemmed with a controlled proportion of whole bunches to build layered texture and manage fermentation dynamics, hand-plunged and basket-pressed before extended élevage — frequently up to two years in new and seasoned French oak barriques — while flagship wines such as Springflat Shiraz are crafted parcel by parcel with careful oak integration to balance power and nuance, and whites like White Duck are fermented and aged in French oak to preserve aromatic complexity and textural vibrancy.

## Yarra Yering (Official Importer)

Founded in 1969 in Victoria's Yarra Valley, Yarra Yering is widely regarded as a pioneer of modern Australian fine wine, distinguished by its meticulous integration of viticultural precision and restrained vinification. The estate practices low-yield, dry-grown viticulture on diverse, well-draining soils, with careful canopy management and hand harvesting to optimize fruit balance and site expression. In the winery, fruit is handled gently with small-batch fermentation, often using wild yeasts, followed by maturation in high-quality French oak tailored to each parcel. This thoughtful approach—minimizing intervention while emphasizing structure, complexity, and longevity—results in wines that transparently reflect both varietal character and the nuanced terroir of the Yarra Valley.

### Whicher Ridge (Official Importer)

Whicher Ridge Wines is a small, family-owned winery in the Geographe region of Western Australia led by vigneron-winemaker Cathy Howard and her partner Neil Howard, who apply a hands-on, terroir-driven approach to both vineyard and cellar work. While the estate focuses on sustainable, small-batch production of a range of varietals such as Sauvignon Blanc, Viognier, Shiraz and Cabernet Sauvignon predominantly from their own Odyssey Creek Vineyard and carefully chosen partner sites in Margaret River, Geographe and the Great Southern, their vinification reflects a philosophy of letting site and fruit guide style: grapes are picked for optimal ripeness and quality, fermented in small lots with wild or selected yeasts, and finished either in stainless steel to preserve pure fruit character or in French oak for added texture and complexity, with thoughtful blending and extended maturation (often 12–24 months) allowing the wines to reveal both regional identity and structural balance.

### Ata Rangi (Official Importer)

Domaine Ata Rangi is a pioneering, family-owned estate in Martinborough, New Zealand, widely recognised for some of the country's most compelling Pinot Noir and expressive cool-climate wines, grounded in a philosophy that the vineyard should do the talking and the cellar merely guide. The team practices organic viticulture on shallow, gravelly terrace soils and harvests by hand, then approaches vinification with a traditional, low-intervention ethos that emphasises natural balance and vintage expression: small-batch fermentations with careful handling of whole-bunch and parcel-specific fruit, gentle extraction to preserve finesse and complexity, and thoughtful aging in French oak — predominantly older barrels — to support texture and structure without obscuring terroir. Across its Pinot Noir, Chardonnay, and other cool-climate varieties, this disciplined approach yields wines of depth, tension and length that articulate the unique Martinborough terrace with clarity and poise.

### Julian Haart (Official Importer)

Domaine Julian Haart is a small, highly sought-after Riesling producer in Piesport on the Mosel, where Julian and his wife Nadine farm roughly five hectares of steep, slate-rich vineyards—including parcels in Ohligsbberg and Goldtröpfchen—with uncompromising hand work and a focus on purity and balance. Since his first solo vintage in 2010, Haart's vinification has been defined by low-intervention, site-sensitive techniques that vary by wine: many cuvées undergo natural, cool fermentations with indigenous yeasts in stainless steel or traditional Mosel fuders, with fermentation temperatures and skin contact tailored to the identity of each bottling, from bone-dry village and Mosel Rieslings to Kabinett and rarer Prädikat styles, all aiming to preserve the region's signature fresh acidity, fine mineral structure and nuanced expression of vintage and vineyard.
